10 DAY TASTE of EGYPT CHRISTIAN TOUR

Day 1 Sun - Depart USA

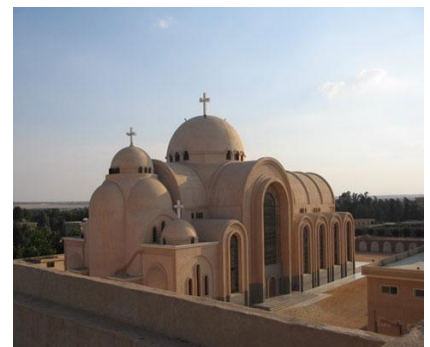

Our life-changing journey begins this evening as we board our overnight flight to Cairo, Egypt.

Day 2 Mon - Cairo

We arrive in the land of Joseph, Moses, and the Pharaohs of Egypt. Upon arrival at the airport we meet our guide and are immediately transported into Cairo, the capital of Egypt. Your private van or car transports you to one of Cairo’s top rated hotels, and you will begin soaking up the atmosphere of this exciting city.

Day 3 Tue – Cairo, Memphis, Sakkara, Joseph's Storehouses

After breakfast we start our full day tour. We enjoy a short ride to Memphis. Memphis was founded around 3,100 BC. It was the legendary city of Menes, the King who united Upper and Lower Egypt. From a Biblical perspective, Memphis was the place where Abraham lied to Pharaoh about his wife Sarah being his sister. Further, it is believed to be the location where Joseph served as second in command. While in Memphis we view a very large and well preserved statue of Ramses II. Next we travel to Sakkara, which is one of the most extensive archaeological sites in Egypt. Sakkara is dominated by the Step Pyramid of King Zoser, dating back to 2700 BC. It is one of the oldest stone structures in the world. After we visit the Step Pyramid, we enjoy a stop at a local Egyptian carpet shop. Then we take a short southern drive to Faiyum, the region created by the wisdom of Joseph. Here you will find ancient storehouses and a man-made lake created by a canal, whose construction was supposedly ordered by Joseph. It is believed that this lake provided irrigation for a desert land and supplied the food needed to survive his prophesied seven year famine, back to Cairo for overnight. **(B, L)**

Day 4 Wed – Cairo, Alexandria, Wadi El Natrun

We travel today toward Alexandria. On the way, we visit the Wadi El Natrun. It lies some 23 meters below sea level. Here there are lakes which are fed from the water table of the Nile. These lakes dot the landscape. Wadi El Natrun contains the most important Christian monastic center, and it is a prime attraction for Christian religious tourists who travel to the Holy land. There is good reason for this. The monasteries at Wadi Natrun and the surrounding region constitute some of the earliest,

The district containing these monasteries has been known by many names, often derived from different languages, including Scetis, Scythis, al-Isuqit (al-Askit), Shiet, Shihat (Shihet), Scitium and Wadi Habib. Further, it includes the Cloister of Amba Beshoy. Continue to Alexandria and stop for sea food lunch at a local restaurant. Then proceed to visit Alexandria Library and the Montazah Palace.
