11 DAY CLASSIC CHRISTIAN EGYPTIAN TOUR

Day 1: Sun - Depart USA

Our life-changing journey begins this evening as we board our overnight flight to Cairo, Egypt.

Day 2: Mon - Arrival to Cairo

We arrive in the land of Joseph, Moses, and the Pharaohs of Egypt. Upon arrival at the airport we meet our guide and are immediately transported into Cairo, the capital of Egypt. Your private van or car transports you to one of Cairo's top rated hotels, and you will begin soaking up the atmosphere of this exciting city.

Day 3: Tue - Cairo, Memphis, Sakkara, Josephs Storehouses

After breakfast we start our full day tour. We enjoy a short ride to Memphis. Memphis was founded around 3,100 BC. It was the legendary city of Menes, the King who united Upper and Lower Egypt. From a Biblical perspective, Memphis was the place where Abraham lied to Pharaoh about his wife Sarah being his sister. Further, it is believed to be the location where Joseph served as second in command. While in Memphis we view a very large and well preserved statue of Ramses II. Next we travel to Sakkara, which is one of the most extensive archaeological sites in Egypt. Sakkara is dominated by the Step Pyramid of King Zoser, dating back to 2700 BC. It is one of the oldest stone structures in the world. After we visit the Step Pyramid, we enjoy a stop at a local Egyptian carpet shop. Then we take a short southern drive to Faiyum, the region created by the wisdom of Joseph. Here you will find ancient storehouses and a man-made lake created by a canal, whose construction was supposedly ordered by Joseph. It is believed that this lake provided irrigation for a desert land and supplied the food needed to survive his prophesied seven year famine. Back to Cairo for overnight. **(B, L)**

Day 4: Wed – Cairo, Aswan, Abu Simbel, Nile Cruise

Morning flight to Abu Simbel via Aswan, situated 280km south of Aswan. The two temples of Abu Simbel are the most magnificent temples in the world. After visiting these temples, we fly back to Aswan. Upon arrival, you will be escorted to your deluxe Nile Cruise Boat where you will spend the next 3 nights / 4 days. Lunch is served on the cruise boat. Then you will start your Cruise shore excursion. See firsthand High Dam, and the Granite Quarries with the Unfinished Obelisk. Enjoy a motor boat ride with a Nubian captain to Aglika Island. Tour the temples and other ruins there. Originally all of these temples were moved from Philae island because of high water caused by High Dam. Overnight in Aswan. **(B, L, D)**

Day 8: Sun - Mt. Sinai, Land of Goshen

Just into the new day, those who desire and are physically capable depart for a memorable early morning walk up Mt. Sinai. It is a good 3 hour hike. You may choose to ride a camel part way, or stop at one of the stations to take in the scenery. The final climb to the summit is some 750 steps for a sunrise you will always remember. Once at the top, enjoy a time of praise and then depart down the mountain for breakfast. A visit is made to the St. Catherine Monastery where you see the Burning Bush and the well where Moses spoke with Zipporah.

A transfer is made to the Land of Goshen. Here we visit Wadi Feiran. Few places are steeped in Biblical mystery as the great Wadi Feiran. It is Sinai's largest wadi (valley) and one of the most archeologically important stretches of terrain. It was here, according to locals, scholars, and legend, that Moses struck the rock with his staff, bringing forth a spring so his people could drink. Feiran is also the site of Rephidim, the fabled oasis where the Hebrews camped and battled the Amalekites. For the pilgrims and Christians who have been coming to this wadi for centuries, a journey through Feiran is to pass through an entire chapter of the Old Testament itself.

Also, we will visit the Greek Seven Girl's Monastery. It is located on a spring in the middle of an oasis. In this vicinity it is surmised that Joshua defeated the Amalekites while Moses and Aaron gave their prayerful support. Our last stop today

will be at the Springs of Moses. Seven mi/11km southeast of Suez, on the east side of the gulf, are the Springs of Moses. (Ain Musa) This group of hot springs (70-84 degrees F. vs. 21-29 degrees C.) have both sweet and bitter springs. They form a fertile oasis. One of the springs is said to be the bitter spring of Marah which Moses made sweet by casting a piece of wood into it. (Exodus 15:23) From this side of the gulf there are fine views of the sea and the heights of the Gebel Ataqa Range to the west. Dinner and overnight in Ain El Sokhna. **(B, D)**

Day 9: Mon - Land of Goshen & Cairo

After breakfast we begin our tour of the Land of Goshen, the Eastern Delta, a place associated with Joseph. It is here that the Israelites grew, flourished, and were eventually enslaved after 430 years of freedom. It is said that this happened when a new king arose over Egypt who did not know Joseph. We visit Tanis, one of the storied treasure cities of Rameses II, and the Biblical areas of Succoth and Pithom. From here, Moses led the Israelites on their wilderness journey to the Promised land. In the afternoon, we transfer to Cairo. A stop will be made at the papyrus factory store, where we see the process of creating lovely Egyptian art pictures. **(B, L)**

Day 10: Tue – Giza Pyramids, Sphinx, and Egyptian Museum

A full day of touring begins today with some sights of ancient Egypt - some of which date back to 1000+ years prior to Abraham. Today, we visit the world famous pyramids of Giza. Cheops, with an original height of 496 feet, is the most colossal pyramid ever built. We take a trip inside to see the burial chamber. Then, we view two other pyramids and the Sphinx. After lunch, we travel to the Egyptian Museum, location of Tutankhamen's treasures and ancient remains. End the day with a walking tour of the largest 13th century covered oriental market, the largest traditional shopping bazaar in the world, the Khan el-Khalili Bazaar. In the tiny alleyways, there are hundreds of shops where you can watch gold and coppersmiths, brass makers, and fortunetellers at work. Look also for leather goods and woodwork inlaid with camel bone and mother-of-pearl. Bargaining, Arab-style, is the norm here, and practiced as a national pastime. Overnight in Cairo. **(B, L)**

Day 11: Wed – Cairo, Departure

After early breakfast at the hotel we will be transferred to Cairo airport for our departure flight back home. **(B)**
