13 Day Classic Christian Egypt with Sharm El Sheikh

Day 1: Sat - Depart USA

Our life-changing journey begins this evening as we board our overnight flight to Cairo, Egypt.

Day 2: Sun – Cairo

We arrive in the land of Joseph, Moses, and the Pharaohs of Egypt. Upon arrival at the airport we meet our guide and are immediately transported into Cairo, the capital of Egypt. Your private van or car transports you to one of Cairo’s top rated hotels, and you will begin soaking up the atmosphere of this exciting city.

Day 3: Mon - Memphis, Sakkara, Josephs Storehouses

After breakfast we start our full day tour. We enjoy a short ride to Memphis. Memphis was founded around 3,100 BC. It was the legendary city of Menes, the King who united Upper and Lower Egypt. From a Biblical perspective, Memphis was the place where Abraham lied to Pharaoh about his wife Sarah being his sister. Further, it is believed to be the location where Joseph served as second in command. While in Memphis we view a very large and well preserved statue of Ramses II. Next we travel to Sakkara, which is one of the most extensive archaeological sites in Egypt. Sakkara is dominated by the Step Pyramid of King Zoser, dating back to 2700 BC. It is one of the oldest stone structures in the world. After we visit the Step Pyramid, we enjoy a stop at a local Egyptian carpet shop. Then we take a short southern drive to Faiyum, the region created by the wisdom of Joseph. Here you will find ancient storehouses and a man-made lake created by a canal, whose construction was supposedly ordered by Joseph. It is believed that this lake provided irrigation for a desert land and supplied the food needed to survive his prophesied seven year famine. Back to Cairo for overnight. **(B, L)**

Day 4: Tue - Cairo Pyramids & Tutankhamens Treasures

A full day of touring begins today with some sights of ancient Egypt - some of which date back to 1000+ years prior to Abraham. Today, we visit the world famous pyramids of Giza. Cheops, with an original height of 496 feet, is the most colossal pyramid ever built. We take a trip inside to see the burial chamber. Then, we view two other pyramids and the Sphinx. After lunch, we travel to the Egyptian Museum, location of Tutankhamen’s treasures and ancient remains. End the day with a walking tour of the largest 13th century covered oriental market, the largest traditional shopping bazaar in the world, the Khan el-Khalili Bazaar. In the tiny alleyways, there are hundreds of shops where you can watch gold and coppersmiths, brass makers, and fortunetellers at work. Look also for leather goods and woodwork inlaid with camel bone and mother-of-pearl. Bargaining, Arab-style, is the norm here, and practiced as a national pastime. Overnight in Cairo. **(B, L)**
